Five Last Acts (2nd edition): expanded & revised by Chris ...

Five Last Acts - The Exit Path is easily the best book I have read on the subject of self-deliverance (suicide to end unrelievable suffering). Chris Docker, the author, is clearly a scholar on the subject. The text is richly annotated with background material and references to original articles, a feature usually absent from writing on this topic.

(Please note that a 2015 updated edition is also available). Hailed in 2010 as the most complete source available, Five Last Acts II details options and methods for rational suicide in the event of unbearable and unrelievable suffering. Bringing reassurance, knowledge and hope, and the strength to face an uncertain future. (Please note a 2015 version is now available.) Even with modern technology, not all ends are good ones. Although palliative care continues to make great strides, the final hours or days of some people are so difficult that they elect to take matters into their own hands and end things sooner rather than later. Once that decision is taken, lack of knowledge, planning or preparation can result in even greater suffering. Five Last Acts collects the wisdom of multi-disciplinary research, workshops and developments worldwide in a major new volume. The body of the work is written in easy-to-understand language to offer a practical guide for every reader. Technical explanations are reserved for the appendix. Five Last Acts provides the reliable options for the last act in your own play. Feedback on the first edition: "I have just finished reading your most excellent book, Five Last Acts; it is so well-researched, so informative, so clear, that it leads me to ask this question: which rational person would not want to obtain a copy of this book as an insurance policy against an uncertain future?" Chris Goodwin The new edition of Five Last Acts is completely revised and expanded, giving even clearer insights and the most comprehensive guidance on self-deliverance worldwide. Over 400 pages with more than 40 illustrations and over 450 references. It is the only book of its kind that includes the emergency methods and practices that can even be used if one finds oneself confined to a hospital or a nursing home.

(Expanded edition. For previous reviews, please see <http://www.amazon.com/dp/1482594099>) With 844 pages, it is the most extensive volume in print on the subject, meticulously researched and scientifically substantiated. No method of self-euthanasia can be perfect, in spite of what some claim. What this book does is give you the best evidence and advice available and backs it up with scientific references that you can check for yourself. \*\*\*104 pages on use of inert gas (nitrogen, helium).\*\*\* \*\*\*205 pages on drugs.\*\*\* \*\*\*Hundreds more pages on voluntary refusal of food and liquid\*\*\* \*\*\*the low-down on 'fringe' methods\*\*\* As well as precautions, social, legal and ethical concerns, tips and checklists, \*\*\*100 illustrations\*\*\* and 'how-to' diagrams, 7 tables and more than 1000 references. Peer-reviewed evidence and examination of alternative theories. (See the 'look-inside' feature for list of contents, or the publications page on the 'ExitEuthanasia Blog'.)

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

This latest addition to the Fortress Social-Science Commentaries on New Testament writings illuminates the values, perceptions, and social codes of the Mediterranean culture that shaped Paul and his interactions - both harmonious and

conflicted - with others, Malina and Pilch add new dimensions to our understanding of the apostle as a social change agent, his coworkers as innovators, and his gospel as an assertion of the honor of the God of Israel.

Standing at the center of a heated controversy and sparking national debate, "Final Exit has become a crucial handbook for people looking to end their suffering from unbearable pain due to terminal or incurable illness. This careful, concise, and compassionate manual includes: How to commit suicide with sleeping pills, preferably with the aid of a loved one A chart listing lethal doses of fourteen drugs Legal considerations, life insurance, and living wills Finding the right doctor, hospice care, and pain control Letters to leave behind and how to write a self-deliverance checklist Psychological support groups for the dying and suicide hotlines for depression Plus much more invaluable advice on self-deliverance and assisted suicide For mature adults opting to end their lives or anyone interested in this controversial and timely topic, "Final Exit, the only book of its kind, provides the answers.

This NIV Value Outreach Bible is a low-cost softcover Bible perfect for churches and ministries buying in bulk to present to first-time Bible readers.

The Gospels and Acts are composed of writings from St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts. The purpose of which is to give you the spiritual lens that will enable you to see clearly what you fail to see using your physical lens. As you read this collection, try to see the three spiritual themes to it. Get a copy today.

Pairing depth of scholarship with contemporary application, the authors of From Pentecost to Patmos have produced a unique introductory New Testament textbook. Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation, showcasing the historical, linguistic, and theological implications found in each book. This second edition includes expanded footnotes and a lengthier, up-to-date introduction to Paul. Newly added review questions, maps, and diagrams enhance the scholarship and make the resource truly user-friendly.

The first edition of ELL (1993, Ron Asher, Editor) was hailed as "the field's standard reference work for a generation". Now the all-new second edition matches ELL's comprehensiveness and high quality, expanded for a new generation, while being the first encyclopedia to really exploit the multimedia potential of linguistics. \* The most authoritative, up-to-date, comprehensive, and international reference source in its field \* An entirely new work, with new editors, new authors, new topics and newly commissioned articles with a handful of classic articles \* The first Encyclopedia to exploit the multimedia potential of linguistics through the online edition \* Ground-breaking and International in scope and approach \* Alphabetically arranged with extensive cross-referencing \* Available in print and online, priced separately. The online version will include updates as subjects develop ELL2 includes: \* c. 7,500,000 words \* c. 11,000 pages \* c. 3,000 articles \* c. 1,500 figures: 130 halftones and 150 colour \* Supplementary audio, video and text files online \* c. 3,500 glossary definitions \* c. 39,000 references \* Extensive list of commonly used abbreviations \* List of languages of the world (including information on no. of speakers, language family, etc.) \* Approximately 700 biographical entries (now includes contemporary linguists) \* 200 language maps in print and online Also available online via ScienceDirect – featuring extensive browsing, searching, and internal cross-referencing between articles in the work, plus dynamic linking to journal articles and abstract databases, making navigation flexible and easy. For more information, pricing options and availability visit [www.info.sciencedirect.com](http://www.info.sciencedirect.com). The first Encyclopedia to exploit the multimedia potential of linguistics Ground-breaking in scope - wider than any predecessor An invaluable resource for researchers, academics, students and professionals in the fields of: linguistics, anthropology, education, psychology, language acquisition, language pathology, cognitive science, sociology, the law, the media, medicine & computer science. The most authoritative, up-to-date, comprehensive, and international reference source in its field

What makes the authentic markers of the church? The biblical book of Acts not only insistently raises this question but also provides resources to help congregations answer it. In Called to be Church, biblical scholar Rob Wall and pastoral leader Tony Robinson join together to make Acts available as a source of renewal and transformation for the Christian church today. Featuring both careful exegetical study and exciting contemporary exposition, Called to be Church explores twelve familiar stories from Acts. In addressing these stories it dives into many of the most vexing issues faced by the church in Acts and now again in the twenty-first century — issues of sexuality, money, exclusion, conflict in the church, pluralism, and the role of the Holy Spirit. Through it all Acts challenges the church to stay connected to its Jewish legacy and to be a people set apart. Called to be Church will inspire those involved with the church to see themselves as part of God's story in our time.
