Home Smoking and Curing: Amazon.co.uk: Erlandson, Keith: Books

After curing the water should remain transparent, but slightly pink, like this: If you don't keep it in the brine long enough, you might have a tan spot that will taste like pork, not ham, like this one. 4) After the cure, it is time to smoke. Before smoking, rinse the surface since there will be a heavier concentration of salt on there.

How To Make A Cured Smoked Ham From Scratch

Our ham & bacon cures and nitrite curing salt are pre-mixed to precise standards so you can safely make your own ham and bacon at home. Once you've made your own you'll never buy that processed, pumped up and watery supermarket stuff ever again.
