Introduction to Political Parties in the U.S.

Political parties. The United States has two major national political parties, the Democratic Party and the Republican Party. Although the parties contest presidential elections every four years and have national party organizations, between elections they are often little more than loose alliances of state and local party organizations.

United States - Political parties | Britannica

Traditionally political parties have been private organisations with no official recognition by the state. The Registration of Political Parties Act 1998 changed that by creating a register of parties. Membership of political parties has been in decline in the UK since the 1950s, falling by over 65% from 1983 (4% of the electorate) to 2005 (1.3%).

List of political parties in the United Kingdom - Wikipedia

Parties play a key function in a democracy, by recruiting candidates, developing policies and stimulating public debate and it is important that they are properly funded to do this. If parties had more money to spend in financing a wider range of people to apply for Parliamentary selections it would make Parliament more diverse.

Should UK political parties be funded by the State ...

Most political parties receive income in the form of membership subscriptions. However, until the 1990s the lion's share of Labour party funding came from fees paid by trade unions and other affiliated organisations, while the Conservative Party was said to be bankrolled by wealthy business interests.
